

# Federal Stamp & Seal **FESSCO**.net

In December of 2013 FESSCO merged with  
Holmes Stamp & Sign out of Jacksonville, FL

Today our customer service and sales team works remotely  
out of Atlanta and the manufacturing is done in our  
Jacksonville, FL office.

We continue to invest in new products to manufacture as  
well as innovative technology to keep our prices  
down and lead times up!

Thanks for your many years of business

*Don Bradshaw*  
retired owner of FESSCO

*Bryan Croft*  
current owner of FESSCO
